6.0 Forgot Password

6.1 FORGOT PASSWORD

The Forgot Password feature allows administrators to verify their identity and create a new password for their ResolveX account. Follow the steps below to reset the password successfully.

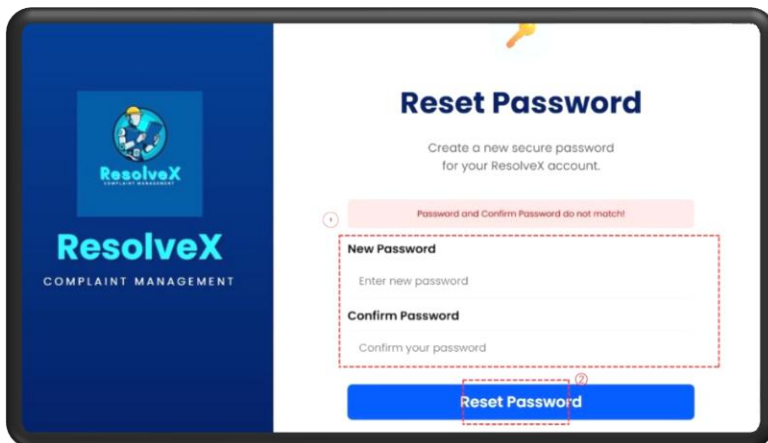

The screenshot shows the 'Reset Password' form on the ResolveX Complaint Management interface. On the left is a blue sidebar with the ResolveX logo and 'COMPLAINT MANAGEMENT' text. The main area has a white background with the title 'Reset Password' and a sub-header 'Create a new secure password for your ResolveX account.' Below this is a red error message: 'Password and Confirm Password do not match!'. There are two input fields: 'New Password' with the placeholder 'Enter new password' and 'Confirm Password' with the placeholder 'Confirm your password'. A blue 'Reset Password' button is at the bottom. Red dashed boxes and numbered circles (1, 2, 3) highlight the error message, the input fields, and the button respectively.
